

- ① You got your musicbag from Field Studies. After opening the bag you will find a toothbrush and a little booklet. Take the stuff out of the bag.

- ② On your toothbrush you will find your user name.

- ③ The password is written in the little booklet.

- ④ Start up your Macintosh. Open your browser and type in *www.monavale.ch/popisnotdead*. A window will appear where you type in your username and password. The download will start immediately.
